LEMON GROVE REVIEW

Serves More Families — Tells More News

Vol. 17, No. 10 | Lemon Grove, California | Thursday, October 1, 1964 | Phone 469-0101 | Ten Cents

PRETTY SISTERS — Two Lemon Grove majorettes, Darlene (lower) and Dena Anderson, have entered the race for queen of the North Park Toyland parade to be held Dec. 6. Darlene, 18, and Dena, 20, are daughters of Mr. and Mrs. Max Anderson of 2814 Massachusetts ave., Lemon Grove. Both are graduates of Helix High School. Dena is head of the recently organized San Diego Chargerettes. The queen of the parade will be chosen at a banquet Nov. 21.

Happier, Better City Through Incorporation Candidates All Agree

Lemon Grove would be a better, happier place to live under incorporation was just about the unanimous decision of the 13 candidates for city council who showed up Tuesday night for the League of Women Voters "Candidate Countdown".

Not present were Kenneth Conrad, who is out of town and Clifford Elkins. The meeting, at the L.G. Junior High School auditorium, was attended by 167 spectators.

The candiates who are alsc the sponsors of incorporation, have been meeting weekly to inform themselves about city-hood.

Among salient points made Tuesday were:

councilmen will draw no salary; the work is the labor of love for the community;

the mayor will be selected by the five councilmen elected;

that the City of Lemon Grove could be operated without added taxes that taxes now returned to the county government (such as sales tax) would be sufficient to operate the City;

that the Lakewood Plan, in which services such as police protection, road upkeep and the like, would be contracted for, perhaps with the County government, would more than likely be utilized, and

that present districts such as school, fire, hospital, sewer and water, would be unaffected by incorporation.

OPINIONS OFFERED

Some of the opinions voiced by the thirten candidates were:

Frank Armstrong — "This is the last chance for incorporation. Laws which give additional annexing powers to cities were tried in the 1963 legislature. They're sure to come up again and be passed. One law, as an example, would give San Diego and La Mesa the right to decide how much of Lemon Grove, or other parts of the nearby unincorporated area, each would eventually get."

Forrest Baxter, chairman of the candidates' incorporation committee — "Home rule in our fire district brought lower taxes and even lower insurance rates.

Boney Rejects Offer Of GOP Endorsement

Henry Boney, candidate for Supervisor, 2nd. District, turned down an opportunity for indorsement by the Republican County Central Committee Tuesday.

Walter Merrill, a GOP central committee member, asked for the indorsement. Before the proposal could come to a vote, Boney took the floor and scotched the possibility of such a move.

Said Boney, "Local candidates should be non-partisan and should not seek the indorsement of partisan groups".

He said he needed Republican support but on an individual basis, not the party organization.

The county committee then voted to deplore the Democratic county committee's indorsement of Supervisor David W. Bird.

School Suffers $850 Broken Window Cost

The Lemon Grove School Board Monday night reaffirmed its decision to prevent loitering in school buildings after school hours.

The board heard District Superintendent Byron Netzley estimate the maliscious mischief loss at $850 for the summer. The loss was almost wholly in broken windows.

The board also approved District Business Manager Paul Reynold's recommendation that the District be allowed to accept bids on a power sweeper to keep clean the 500,000 square feet of school area. The figure represents the area to be cleaned outside classrooms. A trailer will have to be acquired to transport the sweeper if it is purchased according to Maintenance Chief Bart Bartholomew.

The annual audit report was submitted by Paul Sterrenburg and Co. and accepted Monday night. The report is the annual check on District expenditures to assess whether or not District financial housekeeping is in good order. The report showed that it was, the Board declared.

GLAMOURous GIRLS — The "Glamourous Girls of Mt. Vernon" admire the trophy they won Saturday in the Tenth Annual Lemon Grove Kiwanis Kids Day Parade. Kiwanis Member Lloyd Jefferies, who awarded the trophies, looks on. The girls are, from left to right, Susan Spence, 8, Patti Mercer, 8, Cindy Wilkey, 8, and, in wagon, Pamela Spence, 10.

Bar Owner Chilled By Cool Cash Loss

Edward Bia, operator of Shay Wen Bar, 9711 Campo rd., told sheriff's deputies that he is out a cool $190.

On Sunday, when he went to check the previous day's recepits he found the $190 missing.

Where did he look for the previous day's receipts?

In the refrigerator, of course. Practically everybody keeps the receipts there.

Edward Indsith, the bartender, told deputies he put the money there himself before closing the place the night before.

Retarded Children Aid Comes From 622 Readers

Six hundred and twenty-two readers becomes the new total taking part in the retarded childrens' Angels Unaware project by which playground equipment will come sooner for the kids and more readers are joining this newspaper's growing family of subscribers.

Forty-one new readers have been added during the past week. Their names are added to the honor roll at the end of this column.

Specifically, Angels Unaware is the East County Chapter of the San Diego Association for Retarded Children. This facility is at 1388 E. Lexington ave., El Cajon. Any money being contributed to the center is earmarked for playground equipment. Contributions are made to Angels Unaware in one of several amounts, depending on what category the subscriber fits into.

For example, if a non-subscribed pays for two years and pays it through one of the members of Angels Unaware, $3.50 is contributed to the fund. The cost for a two-year subscription is $7.

On the other hand, if a present subscriber agrees to renew his subscription, and the agreement is made with one of the salespeople (of which there are

Congregational Church Lantern Gets Planners OK

SAN DIEGO (CNS) — The County Planning Commission Friday decided against a staff recommendation that the First Congregational Church of Lemon Grove be allowed only one above-height limitation structure.

The church had applied for a special use permit to increase the heights from 35 feet to 43 feet 9 inches by the addition of a lantern to the dome of the existing sanctuary, with a cross extending to 59 feet 8 inches. This structure is already completed at 2770 Glebe rd.

The church had already been granted permission far a free-standing church tower and crosses of 90 feet. The staff recommendation was that the lantern with cross on top of the sanctuary serves the same purpose as the tower. The staff said there is no need for an additional above-height structure on this property and no other churches were granted permission for two such structures.

Bryon Netzley, speaking for the church, said they could not follow the reasoning of the planning staff.

The commission agreed with Netzley.

WHITE CANE DAYS — Fifty members of the Lemon Grove Lions Club and their families will be inviting local residents Friday and Saturday to share in their annual White Cane Days.

Wearing their proper identification, the local clubmen invite others to share in the work they are doing for the sightless and sight needy, and to wear their Miniature White Cane for two days as a symbol of recognition for the work the club is doing all year round.

In the Photo L.G. Lion President Jesse E. Lee; L.G. Assistant Fire-Chief Fred Dixon, co-chairman of White Cane Days, and Bob Vaught, chairman of the project display the symbol of the project. Principal projects are the Grossmont Hospital eye examination room and the S.D. County Sight Conservation fund. Lion members will circulate through the major markets and retail stores in Lemon Grove during the two day project.

The local club raises about $600 each year for sight handicapped youngsters.

Record Burning A Frightening Business

Nothing makes the voter angrier than record tampering as former State Senator Hugo Fisher can testify.

That is why the Administration has caused the hornet's nest to be stirred by its order that U.S. security records stored in field offices be burned.

The records contain data on persons who are possible security risks. A State Department security directive issued August 28 instructs field agents in 20 U.S. cities to destroy many of their files including some that contain data on possible security risks.

Field agents check passport cases and investigate department employes and job applicants on their loyalty, possible Communist or subversive activities and personal character witnesses that may subject them to security pressures.

Now, many of these files are to be burned. It is supposed that field officials will have access to records at national headquarters.

That is the frightening part. Imagine having records available where the bureaucrats are able to exert influence with no "back-up records" available from local or field offices. Those persons high in the Administration with associates (or their own records for that matter) of which they are ashamed.

It makes little difference whether the concerned citizen is worried about Communists, alcoholics, perverts or plain trouble-makers in and about top government, the burning of the files and the consolidation of the records at Washington is a dangerous departure in record keeping.

As if the record-burning requirement was not enough, the White House this week ordered all government agencies to tighten security checks on prospective federal employes in order to avoid embarrassment to the present Administration. The two orders may not be connected though it takes very little suspicion to associate the two.

How much more centralized can the power be? Control of the past history records and a closer screening of those who are yet to serve.

We may yet have an Administration with no Communists, no alcoholics and no perverts at the top eschelon — for the records — that is.

Planning Commish Rapped On State Route 125 Stand

County Planning Commission Friday replied to a critical letter from Harry H. and Julia B. Valasek of 4165 S. Tropico dr., Mt. Helix but declined to change its stand on the choice of one of two proposed routings for the development of State Highway Route 125.

The planners have recommended Alternate B which parallels Bancroft rather than Alternate C which parallels Sweetwater rd.

The commission said, "Alternate C would put both Ramona Freeway traffic on the section of U.S. 94 Freeway between Sweetwater rd. and Campo rd. and therefore seriously overload that section.

"Alternate C would require two major interchanges on the U.S. 94 Freeway so close together (one at Sweetwater and one at Campo) that traffic weave conflicts would be inevitable.

"For these compelling reasons of traffic safety, the commission considers Alternate B clearly more desirable than Alternate C.

"The traffic situation at Grossmont Summit is in no way comparable. Here the Ramona Freeway will cross and interchange with the Mission Freeway (U.S. 80). Accordingly, there will be no doubling up on two freeways on a section of one freeway as would exist were Alternate C to be selected as the route for a section of the Ramona Freeway."

The Valasek's had written "We are inclined to doubt very seriously that the reason given in your letter (read on the freeway hearing) is a valid one. We also get the impression that there are perhaps other reasons why the commission is favoring the eastern route which are not being made available to citizens in this area.

"We have no alternative but to conclude that perhaps strong pressure by certain interests are being placed on the commission to favor the eastern route.

"The residents of Tropico dr. are gravely concerned about the future status of their properties in view of the pending tracts which are being planned at the eastern end of Tropico, and on the south slopes of Mt. Helix. We can understand why the developers of these large tracts would want Tropico widened and also to provide easy access to the freeway at Edgewood dr.

"The eastern route would greatly enhance the value of those properties but by the same token would absolutely ruin the rest of Spring Valley."

The Valaseks also said, "We are greatly disturbed that the County Planning Commission permits people to build homes directly in the path of proposed freeways. Why can there not be a moratorium on the sale of land in the affected areas just as the Health Department does when sanitation facilities are inadequate? This would represent considerable savings to taxpayers and speed up construction of local roads and freeway routes."

Planners Reject R-1 Request For Mt. Helix South

SAN DIEGO (CNS) — The County Planning Commission has recommended denial of the request of South View Associates for R-1 (10,000 square feet building lots) from E-1-A (half acre building sites) for 11½ acres on the south slope of Mt. Helix.

The land is located at the north end of Avenida Gregory where a planned extension of Tropico dr. will intersect Gregory. It is south of a subdivision now under construction known as Helix South View Estates and both subdivisions are to be built by the American Housing Guild.

The latest request came in for heavy opposition from the residents of Cresta Gregory subdivison to the south.

Mrs. Jane Peterson gave the commission a petition signed by owners of 16 of 19 lots in that subdivision and others with a total of 87 signatures. She was the only one to speak in opposition but she had good support from the audience which applauded her when she sat down.

The commission had given tentative approval to a subdivision map that would have rezoned only two of the 24 lots to R-1. These were the ones fronting on Tropico across from the R-1 Cresta Gregory.

Mrs. Peterson said that she was tired of hearing that subdivision cited as R-1 and she formally requested the commission to institute a rezoning that to give E-1-A zoning to Cresta Gregory.

Troop 47 Holds Court Of Honor

Boy Scout Troop 47, sponsored by the Men's Brotherhood of Spring Valley Friends Community Church, held its court of honor Saturday in the church social hall. Many of the awards were earned at the summer camp at Mataguay Scout camp in August.

Boys earning second class were Don Auten, Bill Van Vakenburg, and John Lee. Lee also was awarded first class, along with Mark Gottwig. George "Tim" Gross advanced rank to star scout.

Ben Small III was awarded a bronze palm on his eagle award, signifying completion of five additional merit badges. Ben was also awarded the music and wildlife management merit badges as well as the mile swim badge.

Tim Gross also earned the mile swim badge as well as the scholarship, cooking, camping and swimming merit badge.

Robert Vryheid was awarded the swimming and pioneering merit badges. Ken Lindeneau was awarded the lifesaving, citizenship in the nation and wildlife management merit badges. Ben Small, senior patriol leader, presented the awards.

The Men's Brotherhood of the Friends Community Church reregistered for the 20th year, as sponsor for the troop. Rolan Taylor of 8780 Lamar st. signed up as institutional representative for the ninth year. Robert L. Huff is committee chairman and Mark Gottwig, scoutmaster. James Foley, Marshall Barch, Don Paine and Gordon Lee have registered as assistant scoutmasters.

Other adult aides are: Ed Spichal, committeeman in charge of camping arrangements; Clyde Vryheid, award committeemen. Ben A. Small, neighborhood commissioner and a committeeman; and other committeemen, Clyde Wilson, George Gross, Joe Sapienza and Glenn Lindeneau.

The committeemen and scoutmasters of Troop 47, have extended a hearty thanks to the Men's Brotherhood of Friends Community Church for its continued support and assure the brotherhood that Troop 47 will continue to be worthy of the sponsorship.

To the People of Spring Valley

Thank You

for your concern for Better Schools through support of the Parents for Prayer Candidates. We praise God for this victory and ask His guidance in the decisions yet to be made.

Widening of Kempf OK'd By County Supervisors

SAN DIEGO (CNS) — The County Board of Supervisors Tuesday awarded a contract for the improvement and widening of Kempf street to four lanes of minimum width to the Griffith Company, but not before rumors that the county had abandoned the project were circulated.

Second District Supervisor David Bird said that he had received two calls from persons who had heard the rumor. He said the award of the contract should put that rumor to rest.

The contract is for $47,712. The Griffith Company's bid was the lowest of seven.

The item was budgeted at $51,000 for construction costs and $6,000 for construction engineering.

County Road Commissioner David K. Speer said that the street will have a minimum width of 48 feet in a 50 feet right of way because of buildings along the right of way.

He said that it is the county's policy to ignor possible incorporations or annexations when it comes to building roads. He said that the money comes from the Highway User Tax fund and is spent as nearly as possible for the benefit of all residents.

Speer said that there will be no parking along much of the improved street because of the lack of right of way. The length of the improvement will be .33 miles between Lincoln Street to Broadway.

The commissioner said the county has a right of way of 60 feet on some portions of Kempf.

Agency Formation Commission Wants Laws Localized

SAN DIEGO (CNS) — The Local Agency Formation Commission this week studied proposed state legislation concerning such commissions but shied away from endorsing anything that might have hinted that San Diego County's Commission wants legislation to increase its powers.

The commission agreed more or less with proposed procedural changes but took no stand one way or the other on proposed redefinition or expansion of powers.

The legislation was discussed with Robert Small, executive officer of the commission, who said it is being worked on in informal sessions by officials of various jurisdictions within the state.

One change being considered would put a time limit on annexations after the LAFC has given its permission. Small said that it is proposed that cities have 60 days or some other time to call elections in inhabited territory or to act on uninhabited annexations. He said that this could help prevent situations like that now present in San Diego's proposed Poway annexation.

Incorporations, Small said, might also be placed under a time limit. There is such a limit now, but it can be extended by the Board of Supervisors as was done in the cases of Lemon Grove and Spring Valley.

There are several proposals that would take matters out of the state law field and give the responsibility to the commission. One of these is that the LAFC should have the power to approve annexation to cities which will result in creation of what are now illegal corridors, islands, or strips. Another is that the commission have the authority to overrule present prohibitions against noncontiguous annexations to cities and to districts where such prohibitions may presently exist.

Gammon Jiggles Laundry To Get Rest Home OK

SAN DIEGO (CNS) — After a period of misunderstanding, the County Planning Commission Friday granted John Gammon a special use permit for his existing rest home at 8001 Palm st. in Lemon Grove for eleven more guests for a total permitted of 26.

Gammon plans to build an addition of about 6,500 square feet but the planning staff objected to the placement of a laundry building too close to the property line on a southerly extension of Gammon's property.

Gammon said the planning staff was placing a "stumbling block" in front of him but later agreed that he could use the existing laundry if it is expanded and he was given permission to do that.

He agreed to give additional land on Palm and Skyline dr. to provide for an ultimate right of way of 102 feet. Both streets are in the master plan of major highways as major arterials.

Gammon must also bring up the off-street parking to minimum standards of the zoning ordinance.

$300 Damage

Andrew Kerr of Health Foods, Inc., 7945 Broadway L.G., reported that approximately $300 damage has been done at the store during the last three months.

Kerr told sheriff's officers that 20 empty beehives stacked on the rear of the property were knocked over. He said two large glass mirrors on the loading platform were stolen and also ten empty five-gallon honey cans were missing.

Bird Deceives Taxpayers Says Henry Boney

Henry Boney, Friday, called on his opponent to be honest with County taxpayers. Boney, a candidate for supervisor in the second district, spoke to Spring Valley residents at the Carman Ranch Club.

"My opponent must think we taxpayers are simple minded when he implies that County taxes have not increased," Boney said. "True the tax rate was lowered by less than one cent but assessments have gone way up. This means you and I are paying $2 million more in property taxes this year."

Quoting Dave Nevins, member of the State Board of Equalization, Boney pointed out that San Diego's property value assessments are higher than "52 other counties in California". "What's more", Boney stated. "County property taxes have gone up 134% in the last ten years, while the population has increased by only 61%. This means individual taxpayers are paying more and more each year. My opponent is feebleminded if he thinks he can deceive the public with his pitiful talk of tax rate reduction.

2 Scout Awards Given To Troop 325 Members

Boy Scout Troop 325, sponsored by the First Baptist Church of Spring Valley, met Monday night at the church, for a court of honor. Second class scout awards were presented to Mark Piper and Tim Creigh. Scoutmaster Don Hammill presented the awards.

UNITED CAMPAIGNERS — Sam Pernicano, center, general chairman of the United Campaign in the Spring Valley-Lemon Grove area looks over campaign material with Dr. James G. Osborne, left, chairman of the professional group, and Don Johns, chairman of commerce and industry. United Community Services provide support for 79 member organizations. Pernicano said the drive will continue until Oct. 15. He said the campaign is for the agencies that provide nearly all of the private health, welfare and character building services rendered in San Diego County.

Float Highway Bonds Candidate Dail Urges

John Dail, candidate for Assembly, called for a State bond issue to pay for vitally needed freeways in his part of a double-header program Friday at the Lemon Grove Men's Club.

Dail, a Lemon Grove insurance man who is Democratic candidate for the 77th District Assembly seat, shared the program with Larry Freeman, east county manager for the Union-Tribune.

Dail said there is no more reason for California motorists to wait until the money is in hand to pay for freeways then for large families to have to pay cash for their television sets.

"You can have it while you pay," he explained.

He said that he is opposed to the initiative referendum of Proposition 14 by which the Rumford Act would be killed.

"I'm against racial discrimination of any kind," Dail said, "and I'm against Prop. 14."

He said that his election would provide harmony between local and state governments and between state and federal governments. He charged that property owners were carrying too much of the school tax burden. "We must have more state support for school taxes. The school tax burden is supposed to be shared on a 50-50 basis between property owners and the State but the homeowner is carrying more than 60 per cent of the burden," he said.

Freeman, who has written many features for the San Diego Union on County agriculture, said that San Diego County is first in the nation in tomato production. It produces $10 million in tomatoes and practically the entire total is shipped fresh. The county is first in avocados but early damage has reduced this year's crop to the point where the cost is going to be extremely high, he said.

The State's egg production and tomato production oscillates as top income producer with about $23 millions each. Milk is the third in income production, he added.

The Men's Club meets each Friday at noon at Michael's. Males interested in matters concerning the community are invited to attend the no-host luncheon meetings.

Utt Charges LBJ Labeling Del Mar 'Poverty Pocket'

WASHINGTON (SPCL) — With a cry of "Please Lyndon, we would rather do it ourselves," Congressman James B. Utt (R-35th) fired-off a letter last week to Robert Sargent Shriver, Jr., head of the Administration's Anti-Poverty program.

The six-term incumbent Representative of Orange and San Diego counties protested reported plans by Shriver's Office of Economic Opportunity to turn the Del Mar Hotel in San Diego County's sea-resort area into a "Poverty Crop training camp".

Utt wrote, "It is an insult to my Congressional District. I would appreciate it very much if you would not consider any plans, and cancel any plans you have already made for any portion of this program to be located in my Congressional District."

Utt, described the "War on Poverty" bill as a billion dollar boondoggle which will only be a drop in the bucket toward accomplishing the bill's overall objectives. Utt noted the bill duplicates the welfare work in 42 other agencies without removing or centralizing costs and operation.

Residents report the only "pocket of poverty" in the area is in the pants of losers at the Del Mar Thoroughbread Horse racing season.

General Services Administration officials checking the site as a potential 3-year headquarters with the owners, commented that the OEO's earlier attempt to locate a camp at Hawaii's Waikiki Beach also drew protest.

Local sources estimate the average income in the Del Mar-San Dieguito area is about $10,000 a year, with the average home in the $25-35,000 bracket. Although the cost of living is admittedly higher, the government is also building two office buildings in the area. What governmental agencies will use them for has not been announced.

Utt said he does not understand whether the OEO believes the area's prosperity will rub off, or if Shriver's planners think resort living is the first requisite of "Economic Opportunity".

Kickoff Announced For Music Parents

Tom Higdon, president of the Lemon Grove Music Parents, announced this week that the kickoff meeting of that group is scheduled for Monday, Oct. 5 at 7:30 p.m. at the Lemon Grove Junior High auditorium on School lane.

The program includes several instrumental ensembles and solos presented by Harry Weisgerber, band and orchestra conductor, from district student talent.

Of special interest to parents is a film of pupil activity taken in June at the student picnic at Carman Ranch.

Higdon, in releasing the Oct. 5 meeting date, stressed the importance of strong membership this term. Budget plans are listed on the business agenda. Mrs. Sam Gagian, first vice president, and Mrs. Robert Marr, second vice president, also emphasized the need for participation to retain Lemon Grove's outstanding music department record.

Other officers include Mrs. Lyle Stumbaugh, secretary, and Melvin Woodward, treasurer.

School Lunch Week

School Lunches Superior To Home-packed Jobs

Children in Lemon Grove schools are among 700,000 California students who will enjoy well-balanced lunches in nearly 4,000 school districts in this state during National School Lunch Week, Oct. 11 to 17.

The program means improved health and better accomplishments in school, according to Mrs. Ruth Pfister, local school lunch supervisor. Nationwide, the lunch program is a one and a quarter billion dollar business, reaching more than 17 million pupils daily.

Lunches here are available for twenty-five cents in elementary schools and thirty cents in junior highs. Low prices are made possible by the assistance of federal cash reimbursements and federally donated foods.

Mrs. Pfister said that at these prices, the tasty, attractive school lunches are the best value for the money and far superior, or, nutritionally, to the average, home-packed lunch.

President Johnson recently proclaimed Oct. 11 to 17 as the third annual national commemoration of the school lunch role in keeping the nation healthy and strong. This year's celebration theme is "School Lunch Serves Youth".

As part of the observance locally, Mrs. Pfister announced that surprises will be in store for students buying lunches during the special week.

Rotarians 'Fine' Dick Wilson

Dick Wilson, candidate for U.S. Congress received a Rotary club fine of $40 Monday after he was introduced by Max Goodwin, local publisher.

Wilson, a Chula Vista Rotarian who is seeking to unseat Congressman Lionel Van Deerlin, allowed Goodwin to make a "campaign speech" for him. Goodwin pleaded to Acting President Dr. Sam Smith that "he had no funds with him". Dr. Smith transferred the fine to Wilson and suspended all but $2 of it.

Rotary member Paul Anderson, himself a Republican, volunteered to pay Wilson's fine and his offer was accepted.

SCHOOL CARNIVAL

A school carnival will be held Sunday at St. John of the Cross Catholic Church from 1 to 4:30 p.m. There will be games and refreshments. The carnival at the school grounds is open to the public.

Vista Manager Is Booked For Incorp. Meet

Max C. Taylor, city administrator of Vista will be the guest speaker at a meeting to be held on Thursday, Oct. 8, at 7:30 p.m. at the Lemon Grove Junior High School. Vista, the most recently incorporated city of the County of San Diego, incorporated Jan. 28, 1963, and is comparable to Lemon Grove in population with 20,373 residents. Lemon Grove has approximately 25,000.

Vista received continuing county services from Jan. 28, 1963 until the end of the fiscal year, July 1, 1963. Lemon Grove would incorporate about November 1, 1964 and receive county services until July 1, 1965. In the time between November 1, 1964 and July 1, 1965, Lemon Grove would accumulate sales tax, gasoline tax and other taxes while receiving in effect free county services.

Vista has completed a year and one-half of successful operation under the guidance of local resident council members and has more local businesses than ever before and has had an explosive private building program.

Taylor will discuss the many advantages available to any community with incorporation.

Council Candidates . . .

(Continued)

Rates and rules controlled by local people encourage neighbors to remain friends."

Mrs. Blanche Davis — "We've had 21 years of trying to do things for the community under county government and these have been outstanding failures. The Youth Center project never amounted to anything and the swimming pool project was a failure. We can't do for ourselves without local government.

Dr. Frank Gigliotti — "We are finally of age where we can manage ourselves. I'm tired of licking bootstraps to get things done. There are those who are against incorportion. They are not so many as you would imagine but they make a lot of noise.

Charles Hesser — "The average sales tax returns for nine cities the size of Lemon Grove would be is shown in the state budget to be $23.08 per inhabitant. Multiply that by the population the proposed city will have and its backs up the income we have estimated.

Jesse Lee — "Lemon Grove is better by climate measurement and we can make it better for recreation through incorporation. How much easier it will be to take local problems to local people for solution."

Marion Morgan — "I see incorporation as presenting maximum benefits for minimum taxes. Taxes now are fair and just. If I am elected I propose to keep taxes at the present level."

Kenneth Ostrander — "As a property owner it is my intent to keep my property. I don't want to lose it through taxes. As a retired naval officer I will have plenty of time to work as a councilman to see that taxes do not endanger your property either."

William Owens — "We can support ourselves as a city. Now, 8c of our tax dollar is going somewhere else. Also, we have a National City man telling us what to do (Sup. David Bird). If he loses in November we'll have a La Mesa man (Henry Boney) telling us."

Paul Reynolds — Lemon Grove has had a population explosion during the last generation. Lemon Grove has been the perennial leader in home construction during the past 20 years. We are no longer an agricultural area. We're ready for cityhood."

William Ross — "Lemon Grove is a small friendly town and incorporation will keep it that way. I'm bitter about San Diego. We could have a pay-as-you-go government and it wouldn't cost any more than it costs now.

Parker Shumate — "Lemon Grove has grown to the need for incorporation. To make it grow we need good communication between government and the people. Incorporation can provide that. We need a strong administrative group. Council candidates can provide that."

Robert Vaught — "Incorporation will build a better business climate and that will encourage more businesses here. The sales tax money generated by these businesses will provide more income for the city. It would even be possible to reduce the present taxes."

The group was in agreement on the potential income for the city. A blackboard had these figures listed:

State sales tax refund	$286,150
Motor vehicles	131,515
Alcoholic beverages	10,100
Trailer coach licenses	2,400
Gasoline tax	107,100
Franchise taxes	23,350
	561,500
Income from city operation	144,616
Total	$706,116

The group estimated that the city could be run on a budget of $600,000 a year.

tation was made at Phoenix where he and other reporters were recognized for outstanding professional endeavor.

Ellis, a tall, lanky southerner, is general manager of WSB radio in Atlanta.

One of his pieces was reproduced this month in QUILL, the monthly magazine published for and by SDX members. "How Free Is The Press?" asks Ellis. Then he gives this answer:

How free is our American free press? That seems to be an ordinarily simple question. But unfortunately, it is not, and there is no ordinarily simple answer.

Our press is free to cover the automobile accidents, the fires, the tornadoes and the civic club luncheons. It is not always so free when it attempts to cover the closed-door sessions held by haughty politicians, or to learn the facts about a civil rights demonstration, or to poke behind an attempted suicide, or to prove the bribing of an elected official, or the mis-use of public funds. These are the tough stories, hidden in the shadows, that challenge the reporter's skill and ingenuity, but sometimes confront him with a stone wall of resistance — or a conspiracy of silence — that makes it virtually impossible for him to learn and reveal all the facts.

Despite the obstacles that he must overcome, the threats of bodily harm, the intimidation, the average reporter still manages to uncover and to bring to the public a tremendous amount of news, not propaganda, mind you, but NEWS, legitimate NEWS.

For in 9 out of 10 cases, this reporter is a dedicated soul whose mission in life is to cover the news as fully — as factually — as accurately as he can.

To accuse the average dedicated newsman in this country of being slanted or biased in his reporting is not only an injustice, but I think it's a complete distortion of the true situation. I do not believe — and no evidence has yet convinced me otherwise — that at this time the majority of American newsmen are politically oriented to the left or the right in their reporting, or that most of our newsmen deliberately slant evidence and facts.

Our news media — radio, TV, newspapers — are bringing the public more and better news coverage than ever before in history. Reporters are spotlighting ugliness and dirt and violence and the many weaknesses of mankind. So if the news hurts, don't blame the reporter. He didn't create the events that make the headlines. He only tells you what's going on — good or bad —and lets you decide what you ought to do about it.

Bogus Check Clinic Set

The Bank of America bogus check clinic will be held Oct. 6 in Lemon Grove at the bank's Imperial ave. branch, it was announced this week by Jack Cummings, branch manager.

The clinic will be held at 7:30 p.m.

Formal name of the project is Merchants Loss Prevention Clinic.

The clinic's main objective is to hold the line against the "paper bandits" who bilk California merchants out of an estimated $25 million each year.

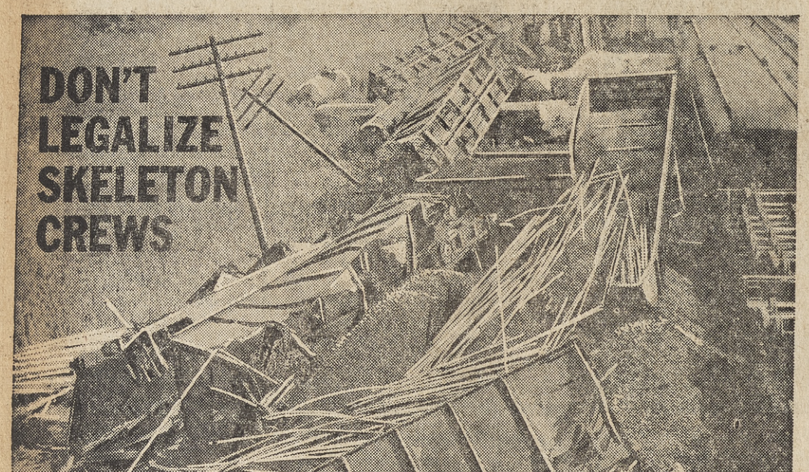
Cummings said the battle line will be drawn here at the cash register counters of Lemon Grove stores.

Main feature of the clinic, which will be presented before an audience of local merchants is an 18-minute soundslide color film titled "They Shall Not Pass". The film shows how bad check and cash losses occur and the defense merchants can set up to protect themselves.

Following Tuesday's showing in Lemon Grove, the clinic will move to the National City branch of Bank of America Wednesday night, Oct. 7. Two mobile units are touring California as Bank of America presses its offensive against bad check passers in the state.

OLD GLOBE

"Once More, With Feeling" inaugurates the Old Globe Theater's 28th season as a community theater Oct. 6. Performances will be Tuesday through Saturday at 8:30 and Sundays at 7:30 p.m. thru November 1.



HERE'S WHAT PROPOSITION 17, THE "SKELETON-CREW" SCHEME, WOULD DO:

WIPE OUT public supervision of railroad safety in California □ **DEPRIVE** the Public Utilities Commission and the Legislature of their rights to protect public safety □ **KILL** California's Minimum Safe Crew Law □ **LEGALIZE** "skeleton crews" □ **SURRENDER** to the railroads control over train safety practices □ **FREEZE** into the State Constitution the sole right of the railroads to decide safe crew requirements □ **PERMIT** the railroads to put their profits before your safety □ **INCREASE** sharply the chance of disastrous train wrecks in California.

[FOR THE RECORD: PRESIDENTS EISENHOWER, KENNEDY AND JOHNSON HAVE ALWAYS SUPPORTED RAILROAD SAFETY LAWS— *the California Minimum Crew Law is just such a safety measure!*]

On election day, Tuesday, Nov. 3rd, the railroad companies are asking you, the people of California, to vote away your rights as citizens...*to hand over to the railroads full power to decide the number of train crewmen necessary for public safety.*

This vital control over railroad safety laws is now held by your elected State Legislature and by the Public Utilities Commission. Proposition 17, the "skeleton-crew scheme" sponsored by the powerful California Railroad Association, would repeal California's Minimum Crew Law—a safety law which has prevented untold loss in lives and property ...and given California one of the best railroad safety records in the nation.

At the same time, *Prop. 17 would eliminate public supervision of railroad safety in California.* It would leave the railroads completely free to cut the size of train crews as they see fit...*below* the present safe minimums now prescribed by law. *In short, it would leave the question of public safety vs. private profit solely in the hands of the railroads.*

Kindergarten Shuffle Reported in SV Schools

Bancroft Elementary School kindergarten enrollment proved to be higher and the Spring Valley kindergarten enrollment lower than anticipated, according to Dr. M. Ted Dixon, associate superintendent. This resulted, he said, in the transfer of Mrs. Laura I. Lindberg from Spring Valley Elementary School to Bancroft Elementary School.

Kindergarten teachers assigned to Bancroft are Mrs. Betty Glass, Mr. Louis Capper, Mrs. Dorothy Ball, and Mrs. Lindberg. Spring Valley Elementary School kindergarten teachers are Miss Sylvia Evans and Mrs. Florence Miller.

As of September 24, total enrollment at Bancroft Elementary School was 771, and 649 at Spring Valley Elementary School.

Other enrollments included: Avondale, 572; Casa de Oro, 719; Highlands, 705; Rancho, 668; Spring Valley Junior High, 1096.

This is the time of year when the shortened day and cooler nights make one feel that the plants and soil do not need to be watered. But unless we do have some unexpected rains, your watering program should be continued until real winter rains begin.

Give your garden — both lawn and shrubs — a fall fertilizing, preferably with a fertilizer containing chelated Iron, Manganese and Zinc. At the same time, check carefully for insects that are still active. If you see them or see holes in your leaves, spray with a combination insecticide for both sucking and chewing insects. This will get them all. There is nothing that spoils the looks of your garden more than to have holes in the leaves of your favorite plants.

VOLUNTEERS ASKED FOR '$$ FOR DEMOS'

With the slogan, "A small amount from a large number of people is the Democratic way", Dollars for Democrats swung into action last week as members of more than thirty-eight Democratic Clubs in San Diego County began ringing doorbells to collect a goal of $16,800. Dollars for Democrats chairman Esther Hawk reports that all clubs have formed subcommittees and are enthusiastically underway to bring the Democratic story to every voter in the county. "It is our intention, said Mrs. Hawk, to collect a little money from as many who favor the Democratic view in the upcoming election, rather than try to collect a lot of money from just a few.

This year the drive will play an important part in this crucial election. The dollars contributed in 1964 will be used for local and national candidates.

Many activities are planned to keep the collectors in good spirits throughout the drive. Volunteers who wish to help are urged to call Democratic Headquartes or Esther Hawk at 239-8097.

LUCKY WINNER — Mrs. David Morley won $27 this week with the Wheel of Fortune at Brumleys Shoe Store, 7763 Broadway, Lemon Grove. Mrs. Morley of 6923 Glenroy st., San Diego, said she had gone to the store to pay a bill.

MOTOR VEHICLE INSPECTION — Assemblyman Richard J. Donovan (R-77th), center, confers with Chairman Tom Carrell on a controversial point brought up during the hearings on Donovan's Periodic Motor Vehicle Inspection legislation. Two days of hearings, including Donovan's mandatory driver training measure for 16 to 18 year olds and his vehicle inspection bill, brought some 200 spectators to the Chula Vista Council Chambers last week to hear witnesses present testimony for and against Donovans measures and several others pertaining to licensing of drivers and registration of vehicles.

Mrs. Virginia Thompson of the Economy Wash at 7272 Broadway, Lemon Grove, reported to sheriff's deputies that the change machines at her coin operated laundry have been robbed four times during the last month. She estimated the loss at $50.

Letters TO THE EDITOR

Dear Editor:

In your September 24 edition you published a release by Supervisor David Bird which stated that his opponent Henry Boney was mis-informed about the County budget. Is seems that Mr. Bird is partaking in the famous "Tax Rate Numbers Game" of many incumbents. It seems to me that it is Mr. Bird who is mis-informed about taxes and budgets. Bird states that the increase in the County budget is due to the increased State and Federal aid, while the facts are that the budget has increased $31.4 million since 1960-61 and of this amount only $20.4 million is from other Governmental Agencies. That leaves $11 million increase to local sources. The Local Property tax source has increased 26%. Also, if Mr. Bird thinks the State and Federal portion of the increased budget is free money to the people of San Diego County he is sadly mistaken. I wonder if Mr. Bird known that during his last term is office San Diego County has been declared an economically depressed area by the Federal Government and that San Diego's unemployment figures are higher than the national average. Bird is one of the supervisors that condones assessment practices which assess speculative land holdings at 4.4% of market value, slums at 10.9% of market value and residences at 20.9% of market value, which results in homeowners paying more than four times tax taxes that speculative land owners pay and double the taxes that slum owners pay.

I don't recall hearing any mass demands for increased services as is the impression that Bird hints at in his press release. It is an old stunt for a supervisor to say that he is willing to cut the budget but the other supervisors will not go along. If he is interested in lower budgets he should vote against these highes and higher budgets and if the other supervisors want these higher budgets let them vote accordingly.

I feel that this County needs five new supervisors and the second district could start the ball rolling by electing Henry Boney. Partisan politics have no place in the supervisorial race. In order that Mr. Bird will have time to go to school to learn where the State and Federal Governments get their money I urge all taxpayers to vote for Henry Boney.

Lawyers Group To Give Aid To Donovan

A blue-ribbon, bi-partisan lawyers' committee to re-elect State Assemblyman Richard J. Donovan (R-77th District) has been formed by Attorneys Stafford Prante and Robert G. Steiner.

Most prominent among the lawyers supporting Donovan is San Diego County District Attorney Don Keller who worked closely with Donovan during the 1963 Legislative Session and was impressed with his efforts to introduce legislation curbing welfare frauds and abuses of the program. Donovan was later summoned before the Grand Jury to testify on matters relative to welfare legislation. Several of the committee members are city attorneys for the communities in Donovan's district.

In a letter to their fellow attorneys, Prante and Steiner cited Donovan's outstanding record and efforts to improve court procedure. "Of all the candidates from the county, he is the only attorney." Regardless of political affiliations, they urged Donovan's re-election to avoid losing San Diego's representation on the powerful Criminal Procedures Committee. Donovan's professional background won him appointments to the Committee to Revise the Penal Code and the Parole and Probation General Advisory Committee, both of which he has served during the past two years.

3 Students Named Semifinalists In Scholarship Test

Three Monte Vista High School students have been named semifinalists in the 1964-65 Merit Scholarship competition, said Principal Stanley McClintic. The students are Ron Lare, Doug Miller and Greg Nierengarten.

They are among 14,000 seniors throughout the country who attained semifinalist status. Each semifinalist now moves a step closer to winning a four-year Merit Scholarship to the college of his choice. Semifinalists must substantiate their qualifying test performance on a second examination, be endorsed by their schools, and fulfil certain routine requirements to become finalist.

METER OPERATORS

A two-day radiological meter operators course was completed by 13 San Diego county residents this month, William B. Marty, county administrative officer for civil defense said today.

NOTICE TO CONTRACTORS INVITING BIDS

NOTICE IS HEREBY GIVEN that the Grossmont Union High School District of San Diego County, California, acting by and through its Governing Board, hereinafter referred to as the District, will receive up to, but not later than 3:30 o'clock p.m. of the 15th day of October, 1964, sealed bids for the award of a contract for construction of: Riverview High School, East side of Magnolia between Mast Blvd. and Second Street, Santee, California. Such bids shall be received in the Board Room of said District at: Highway 80 and Murray Drive, Grossmont, California and shall be opened and publicly read aloud at the above stated time and place.

Each bid must conform and be responsive to this invitation, the Information for Bidders, the Specifications, the Plans, and all the other documents comprising the pertinent Contract Documents. Copies of the Contract Documents are now on file and may be obtained in the office of Clyde Hufbauer-Architect, Inc., of said board at 1975 Fifth Avenue, San Diego 1, California.

Each bid shall be accompanied by a certified or cashier's check payable to the District, or a satisfactory bid bond in favor of the District executed by the bidder as principal and a satisfactory surety company as surety, in an amount not less that 5% of the maximum amount of the bid. The check or bid bond shall be given as a guarantee that the bidder shall execute the contract if it be awarded to him in conformity with the Contract Documents, and shall provide the surety bond or bonds as specified therein within five (5) days after notification of the award of the contract to the bidder.

The District reserves the right to reject any or all bids or to waive any irregularities or informalities in any bids or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334, inclusive, Government Code.

The District has determined the prevailing rate of per diem wages in the locality in which this work is to be performed for each craft or type of workman needed to execute the contract, which will be awarded to the successful bidder, to be as follows:

NOTICE OF PROPOSED CHANGE OF ZONE BOUNDARIES OR CLASSIFICATION

(Lemon Grove Zoning District)

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of San Diego will hold a hearing on Tuesday, October 13, 1964, at 11:00 a.m., in Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, on a proposal to reclassify all or part of the hereinafter described property in the Lemon Grove Zoning District from R-2-A, Residence Zone, to C-1, Business Zone, or a more restrictive zone, in accordance with The Zoning Ordinance of the County of San Diego.

Said Property consists of four parcels at scattered locations comprising 35,000 square feet, located on the west side of Sweetwater Road, as follows: Parcel 1: About 35 feet south of Spring Street continuing south with 100 feet of frontage and having a depth of 100 feet; Parcel 2: About 160 feet south of Spring Street continuing south with 50 feet of frontage and having a depth of 100 feet; Parcel 3: About 35 feet north of Avondale Road continuing north with 175 feet of frontage and having a depth of 100 feet; Parcel 4: About 60 feet south of Avondale Road continuing south with 25 feet of frontage and having a depth of 100 feet; being more particularly described as Resubdivision of Lots A and B, being portions of West Avondale, according to Map 1456.

Said hearing will be held pursuant to the application of E. W. Eberhardt, on file in the office of the Clerk of the Board of Supervisors, Room 306 of said Administration Building, to which reference is made for further detail. At said hearing any interested person may appear and be heard.

The County Planning Commission, after holding the hearing required by law, has recommended that the requested change of zone be denied.

LEGAL NOTICES

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the Helix Irrigation District will receive, on or before 9:15 a.m. October 14, 1964 bids for Pipeline Crossings of Harritt Dam Road in the Northeast El Cajon Area of the County of San Diego, California.

All items of work shall be as more particularly enumerated and described in the Bid Form and other contract documents forming a part of, and in strict conformity with, the "Plans and Specifications" for PIPELINE CROSSINGS OF HARRITT DAM ROAD available at the office of the Board of Directors of said District, 8111 University Avenue, La Mesa, California, and shall include the following:

SCHEDULE 8160-CDR-1
Item 1. Install approximately 268' of 42" Concrete Cylinder Pipe.
SCHEDULE 8160-CDR-2
Item 2. Install approximately 210' of 18" Concrete Cylinder Pipe.
Item 2. Install approximately 191' of 20" Concrete Cylinder Pipe.

The work shall include the furnishing of any and all required labor, transportation, services and material, other than that to be furnished by the District, for the hauling, distributing, excavating, laying, assemblying, testing and backfilling where necessary for the construction of the PIPELINE CROSSINGS OF HARRITT DAM ROAD, complete as shown in the plans and in the specifications.

It is especially called to the attention of the Bidder that the work placed under contract shall be commenced by the Contractor within Twenty-one (21) days after the daye of the letter giving notice to the Contractor to proceed; the official starting date shall be said 21st day and shall be competed by February 1, 1965.

Bidders are hereby notified that pursuant to the applicable laws governing public works contracts, the Board of Directors of the Helix Irrigation District has ascertained and declared by the adoption of Resolution No. 11565 the 8th day of July, 1964, the prevailing rate per hour work and for legal holidays and overtime work in the locality in which this work is to be performed for each craft, laborer, type of workman or mechanic needed to execute such work. Said resolution is on file in the office of the Secretary of said District and is incorporated herein by this reference and made a part hereof. Said prevailing rate schedule is set forth in full in the bidding documents.

The foregoing schedule of hourly wages is based upon a working day of eight (8) hours. The rate for legal holidays and overtime work shall be not less than time and one-half of the prevailing hourly wage, except for Carpenters where the rate for legal holidays and overtime work shall be not less than double time of the prevailing hourly wages. If any holidays fall on Sunday, the Monday following shall be considered a legal holiday.

It shall be mandatory upon the Contractor to whom the contract is awarded and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the contract. Each bid shall be made out on a form attached to and forming a part of the Specifications, which can be obtained at the office of the Helix Irrigation District 8111 University Avenue, La Mesa, California, and shall be sealed and filed with the Secretary of the Board of Directors of said District on or before Oct. 14, 1964 at 9:15 a.m. and publicly read aloud on or after 9:15 a.m. of that day in the office of the Board of Directors of said District.

Each bid shall be accompanied by a certified or cashier's check or bond secured from a surety company satisfactory to the Board of Directors of said District, the amount of which check or bond shall not be less than 10% of said bid made payable to the order of the Helix Irrigation District, said check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested so to do by the Board of Directors of said District.

The successful bidder will be required to furnish a labor and material bond in an amount equal to 50% of the contract price, and a faithful performance bond in the amount equal to 100% of the contract price, said bonds to be secured from a surety company satisfactory to the Board of Directors of said District. The successful bidder shall also be required to meet the insurance requirements of the District as set forth in the General Conditions. All of said bond and insurance requirements shall be completed and submitted to the District within six (6) calendar days from the date the District gives written intention to award the contract. Failure to meet these requirements within the alloted time shall be sufficient cause for rejection of bid.

All Plans and Specifications shall be returned to the District, whether or not a bid is submitted.

No bid will be accepted from a Contractor who is not licensed in accordance with the law under the provisions of Division III, Chapter 9 of the Business and Professions Code of the State of California.

The said Board of Directors reserves the right to reject any or all bids and/or waive any irregularity in a bid.

Forms of Proposal, Contract, Plans and Specifications may be obtained upon application to the District, for which a deposit of five dollars ($5.00) will be required. The deposit will be refunded provided said plans and specifications are returned in good condition within ten (10) days of the bid opening. If plans and specifications are not returned within said 10 days the deposit shall be forfeited.

Dated: La Mesa, California, Sept. 23, 1964 by the order of the Board of Directors.

Bird Says Opponent Uses 'His Millions' To Gain Sups Post

David W. Bird, incumbent county supervisor from the Second District charged Wednesday night that his opponent, Henry Boney, "is trying to use his millions to penetrate the government that is closest to the people".

Bird spoke at a rally of his supporters at the Bronze Room in La Mesa.

Bird said that despite all his opponent can do or say he has not been able to create campaign issues of his own.

"Nevertheless, there are two issues," Bird said.

"The first issue is money. Every voter in the district is becoming aware of my opponent's offorts to buy a seat on the Board of County Supervisors," he said. "I haven't found anyone who can tell me exactly why my opponent wants into government, certainly I haven't found out from him.

"All we really know is that my opponent is pouring thousands of dollars into his personal ambition to penetrate the government that is closest to the people.

"The second issue is the record," Bird said. "As you know I have a record, and my oppnent has a record.

"I prefer my record, and if enough voters are given the opportunity to check both records I know they will prefer mine."

"If he follows his primary campaign modus operandi, during the last few days of the general campaign he will pull some trick. This trick will be timed so that we will not have a chance to challenge it, and it will be designed to mislead the voters."

Bird asked his supporters to substitute legwork for thousands of dollars and to use legwork to defeat thousands of dollars.

"We must win at the precinct worker level," Bird said.

Mailmen To Mark Mrs. Roosevelt's 80th Birthdate

Lemon Grove and Spring Valley postmen will join in a nationwide "Mailmen's March" to commemorate Eleanor Roosevelt's 80th birthday, Oct. 11, it was jointly annnounced today by F. R. Faucher, Lemon Grove postmaster and Mrs. M. Moran, Spring Valley postmaster.

Local letter carriers will deliver printed tributes to Mrs. Roosevelt which describe the work of the Eleanor Roosevelt Memorial Foundation on Oct. 9 and 10.

In an envelope inscribed "Your mailman rings in memory of Eleanor Roosevelt", the appeal seeks support of the foundation's program in behalf of human rights, underprivileged children, cancer research, and world peace — cause to which the late "First Lady of the World" devoted her life.

Bob Hope, national chairman of the "Mailmen's March", and Adlai E. Stevenson, U.S. ambassador to the United Nations and chairman of the foundation, said more than 175,000 letter carriers are participating in the event. They will deliver the envelopes to more than 25 million American homes in 6,000 different cities and towns.

This one-time national fund-raising project was made possible by action of the National Association of Letter Carriers and the cooperation of the Post Office Department, the local postmasters said.

Scholarships Available For Students Who Need Financial Assistance

State scholarships in amounts ranging from $300 to $1,500 will be available to local students in need of financial assistance, State Assemblyman Richard J. Donovan (R-77th District) announced this week.

"Seven such scholarships were awarded in this district last year," Donovan said. "One was for $1,200. Unfortunately, after the deadline had passed, we received several inquiries that could not be given any consideration."

The competitive examination for this year will be the scholarship Aptitude Test of the College Entrance Examination Board. Tests are slated for Nov. 7 and Dec. 5. Appications for the state scholarships must be postmarked no later than Jan. 8, 1965. Any students in the area who are interested should plan ahead, Donovan said.

The applicants must be California residents under 24 and high school graduates by the summer of 1965, or accepted for admission by an accredited college. In addition, they must be U.S. citizens of demonstrated high moral characater, good citizenship, and dedicated to American ideals, Donovan added.

"These scholarships are valid at any college or University in California, accredited by the Western Association of Schools and Colleges, for undergraduate study," Donovan explained. "And they are renewable annually, under commission regulations."

A limited number of applications are available at Donovan's District Office, 1003 Plaza Blvd., National City.

Casting Completed For Production Of 'Oh Dad, Poor Dad'

Casting has been completed for the Griffin Players' production of the hit farce, "Oh Dad, Poor Dad, Mamma's Hung You in the Closet and I'm Feelin' So Sad," by Arthur L. Kopit.

The Grossmont College thespians will present the drama in two three-day runs, Oct. 15 through 17, and Oct. 22 through 24. Curtain time is 8:15 p.m. at the Grossmont College Music Auditorium. Admission is free to all ASGC students and $1.50 for general admission.

Included in the cast are Judith Benson and Charles Walden of Spring Valley and Jim Knight, Rick Sabo and David McKinney of Lemon Grove.

The plot of "Oh Dad" includes an embalmed body kept in a closet, a woman who travels around the world measuring yachts and who enjoys kicking sand in lovers' faces and her weakling son. The play will be in three scenes with no intermissions.

BEGONIA SOCIETY

San Miguel Begonia society will meet Wednesday, Oct. 7th at 7:30 p.m. in the Youth Center, School lane, Lemon Grove. H.O. Hartford of San Diego, will talk on Ephiliuma.

Water Show Slated At Carman Ranch

A free water show will be presented at the Carman Ranch Swim Club, 2515 Sweetwater rd., Spring Valley, Sunday at 7 p.m.

The show, "Ports of Paradise", is directed by Mrs. Beth Whitaker and will feature water ballet, speed swimming exhibitions and comedy diving.

KEYS TO THRIFTY — Miss Lemon Grove gets "key" to Thrifty's newest drug store from Thrifty store manager, E. E. Edwards. Key exchange was part of the ribbon cutting ceremonies Thursday when the store opened at Imperial and Golden avenues.
In the photo are: A. F. Tony Sonka, Barbara Fletcher, Miss Lemon Grove; Supervisor David W. Bird, Thrifty store manager Eddie E. Edwards, Mrs. Amy Sonka, and Manny Borun. Tony Sonka and his sister-in-law, Mrs. Amy Sonka, are owners of the firm which built and leased the Thrifty building to the drug firm. Edwards is L.G. Thrifty store manager and Borun is vice president of the Thrifty chain.

Girl Scout Chatter

by Mary D. Giacinto

More than 240 of our girl scouts and their leaders enjoyed a most pleasant five-day vacation at Camp Davidson this past summer. From their glowing reports of challenging swimmeets, active games, heart-sung songs and all, I can't help but wish I had been there too. More than 100 girls merited their water-fun badges. Red Cross cards were awarded to 69 beginners, 34 advanced beginners, 6 intermediates, and 2 Red Cross swimmers. Attendance may well double next summer.

Organizers are at present working at different schools to form new Brownie troops. Your children will be bringing home invitations to join. Watch for them. The leaders and girls are already enthusiastic about the new season as Mary Hall, neighborhood chairman can testify. However, Mrs. Hall extends an urgent invitation to all interested in scouting to help with the program. Call her at 466-2595 and offer your services.

Pat Owen and her troop 661 waste no time. They've planned a treat for all Lemon Grovers in a Walt Disney color movie. It will be shown to the public at Palm Avenue Junior High Palm Avenue, Lemon Grove. Icabod and Mr. Tod and three cartoons will delight you at 10 a.m. and again at 2 p.m on Oct. 10 — Saturday of course. Admission will be 25 cents. Pop corn and cotton candy available for 10 cents will spark interest. Sound like fun? Well, boys and girls, better circle the date on your calendar. See you there!

The 23 girls in troop 661 will also conduct the flag ceremony for the Mt. Vernon PTA on Oct. 8.

Final Races Set For Modified Sportsmen

Culminating a season of 25 weeks of racing, modified sportsman pilots go again at Cajon Speedway Saturday night in their final regular weekly program. Only the running of the Grand Prix, which will be held the following week, remains on the modifieds speed calendar of events. Stocks and motorcycles each have a week following to close out the season.

This Saturday's program will consist of four heats of eight laps each, a twenty lap semi-main, a 40 lap feature and the traditional four lap Trophy dash.

Added attractions will consist of a 20 car destruction derby and the appearance of the ten top super-stock cars in a special exhibition race.

Navy 'Muzzled' On Bay Crossing Says Wilson

Declaring that Naval officers enlisted men, and the Navy's Civil Service workers are "muffled", Dick Wilson, GOP candidate for Congress in the 37th District, said this week, "The Navy is non-political. The Navy is not permitted to speak for itself on political matters. Only the politicians connected with the Navy speak out. I'd like to speak for the Navy — for the enlisted men and the officers and the Civil Service workers who are dedicated to the Navy, who believe in the Navy, and who know that the Navy is indispensable to the defense of the United States."

Wilson declared that the Navy is "muzzled" during an address before the Chula Vista Republican Club in Chula Vista.

"I'm saying for the Navy, 'Mr. and Mrs. San Diego, don't build a bridge across the bay. If you need better cross-bay transportation, build a tunnel,'" Wilson said.

Wilson continued, "If Navy personnel could speak, they would say, 'We need the Naval Repair Facility, without it over 170 ships stationed in San Diego must go to Bermerton or Long Beach for necessary repairs and servicing. We like it here in San Diego, we've always felt that we were welcome here, but recent action and statements make us wonder if San Diego really wants us.'"

Wilson added, "The men and women in the Navy, as well as the Navy's Civil Service workers might well ask, 'Taxpayers have millions and millions of dollars invested in facilities in San Diego. Does it make sense to abandon them and build duplicates elsewhere?'"

Welson said Rep. Van Deerlin should explain his connection with Coronado and North Island.

"What about the fact that one of Mr. Van Deerlin's chief financial backers in this campaign owns the Hotel del Coronado and the 37 acres of land adjoining it?" Wilson asked, "And what about the fact that this financial 'angel' has publicly stated that he wants a cross-bay bridge to bring customers to his hotel? And what about the complaints that this hotel owner has made about North Island Naval Air Station aricraft flying over the hotel? Does he want this vital defense installation 'phased out'?"

"These," Wilson said, "are questions that demand answers if Rep. Van Deerlin is to prove that he isn't involved in a long-range plan to drive the Navy from San Diego. I think he'll have a difficult time proving this, for his actions to date have indicated either his appalling lack of interest in the Navy and San Diego or his involvement in a plan to drive the Navy away from here."

Hydroplane To Compete In Mission Bay Regatta

Spectators at San Diego's Mission Bay Gegatta, Sunday, Oct. 4, will view a new name in hydroplane competition with the entry of Miss Budweiser, a sleek 3,000 hp Unlimited Class boat.

With three western race classics now under her wake, the Regatta will mark the final western-circuit race for the 6,500 oak-hulled speedster.

The big, 30-foot beauty is owned by Bernie Little of Tampa, Fla., and will be driven by veteran racer Bob Schroeder.
